US Bank Talent Acquisition Team
Minneapolis, MN

Dear US Bank Hiring Manager,

I am writing to express my interest in the xVA Trader at US Bank. With a strong background in quantitative finance, electronic trading, and risk management, I am confident in my ability to contribute effectively to the xVA Trader role.

In my previous roles, I have demonstrated expertise in facilitating client transactions, market making, and managing portfolios across various financial instruments. My involvement in projects such as implementing interest rates option pricing engines and developing proprietary trading applications showcases my technical proficiency and ability to innovate in the financial technology space.

Furthermore, my certifications in quantitative finance, financial risk management, and progress towards the Chartered Financial Analyst designation validate my qualifications in the field. My skills in programming languages such as C#, Python, and SQL, as well as experience with financial software and platforms, further support my ability to excel in roles that require expertise in quantitative finance and electronic trading.

I am eager to bring my unique blend of skills and experience to the xVA desk role and contribute to the success of US Bank. I am confident that my background aligns well with the requirements outlined in the job description, and I am committed to further exploring how I can add value to your team.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my qualifications and experience align with the needs of the xVA Trader role at US Bank.

Sincerely,
Arkadiy Klyukin
